BIND US TOGETHER

Bind us together,
In the expression of love.
Bind us together,
In the crucified one.

Bind us together,
In the Father and Son.
Bind us together,
And we shall be ONE.

THE KINGDOM IN EARTH

1. I heard the angels sing.
   I felt their fluttering wings.
   As I heard of the Kingdom of God,
   By the power of His word,
   He made me to know, that,
   His heavenly power is all around.

2. I heard my Jesus say,
   Enter in my chosen ones.
   That was chosen by my grace,
   All that is mine - now is thine.
   Receive it now by faith.

3. Now I hear the angels sing.
   Now I feel their fluttering wings.
   Now I feel the glory covering me.
   In this world I live every day,
   Because BY FAITH I've entered in.

Chorus:
The Kingdom in earth - sent down from above.
This gift of God - through His Son,
This unseen power - is now all around.
Come Whosoever will!

REACH OUT AND TOUCH HIM

1. Reach out and touch him,
   He's there alive.
   To the blind he is saying,
   I'll open your eyes.

2. The Living Jesus,
   Oh, yes he's alive.
   With you always,
   As your needs arise.

3. Reach out and touch him,
   He's there alive.
   To the sick he is saying,
   My healing is thine.

4. Reach out and touch him,
   He's there alive.
   To the lost He is saying,
   My life is thine.

5. Reach out and touch him,
   He's there alive.
   To the troubled He is saying,
   My peace is thine.

6. Reach out and touch him,
   He's there alive.
   To the weak He is saying,
   My strength is thine.

(211) TENDERLY HE WATCHES OVER ME

1. Tenderly He watches over me,
   Every moment - every hour of the day,
   Oh, yes, My Jesus lives inside of me,
   I feel His presence - every minute of the day.

2. Tenderly He watches over me,
   Every moment - every hour of the day,
   Like a mother watches o'er her baby,
   I feel his touch - every move that I make.

3. Tenderly He watches over me,
   Every moment - every hour of the day,
   Oh yes, my Jesus walks beside of me, He'll
   go with me - every step of the way.

CHORUS:
When I'm right - when I'm wrong,
When I'm weak - when I'm strong,
He'll never forsake me here.
For tenderly He watches over me,
Every moment - every hour of the day.

I SEE YOU LORD JESUS

1. I see you, Jesus - alive before me.
   Your head and hair - white as wool.
   As white as snow - and eyes of fire.
   With a garment on - down to your feet.

2. And your feet like fine brass – burned in a furnace.
   A golden girdle - around your chest.
   And your body shining - like the noonday sun.
   Body of fire and glory - shining before me.

3. Your living voice - like waves of many waters.
   Clothing on - moving through me.
   Your whole body - of your resurrection.
   Upon me hath clothed - hath saturated me.

CD 7A

JESUS LEADS THE WAY

1. In the darkness I did wander,
No peace or joy could I find.
But a hand of love I felt,
It was Jesus bringing me out.

2. I'll never forget his goodness,
And all He's done for me.
He stands by my side in trials,
And supplies my every need.

3. I'm leaning on Jesus each day,
A solid rock I've found.
I'm planted like a tree by the water,
With the faith of God as my ground.

Chorus:
Jesus leads the way,
He is with me everyday.
He will never leave me alone,
Because I'm his for evermore.

DAY BY DAY

1. Day by day my Jesus leads the way.
Day by day I listen to Him say.
I'm your Shepherd - follow-do not stray.
I go before you to open up the way.

2. Don't try to live forever in one day.
Don't try to span tomorrow's gaps today.
It's in my word - remember what I said.
O' Lord give us this day our daily bread.

3. I'm by your side each step to give your grace.
To give to you my power to run the race,
The race is not - one step and then its won.
But step by step until that race is run.

4. The trials today will only make you strong.
Just use my Spirit power and lift your song.
Rejoice when - temptation on you fall.
I'm ever near and listening for your call.

CHORUS:
Though the way be rough and steep - I go before.
I'll guide your feet - no rock shall make them sore.
I'll keep your mind - inside my glory power.
Just trust me now - I'm with you every hour.

CHRIST IS REVEALED

1. Christ is revealed - in the midst of his people.
By the Power of the Spirit - meeting your needs.
His tent of Glory - Is now spread o'er you.
The House of God - has come to earth.

2. Christ is revealed - walking beside you.
The Priest of God - Now is yours.
Joined by His Spirit - He never leaves you.
Taking each step - with you each day.

3. Christ is revealed - living inside you.
His life of glory - Now you can feel,
All things new - from deep inside you,
Old things are gone - passed away.

4. Christ is revealed - thru His people,
The mystery of God - now doth unfold.
Things that were hidden - down through the ages,
Now made known - to the glory of God.

Chorus:
The King of Glory - does now live among you.
Living His life - in the midst of His church,
The folds of His garment - do now fall around you.
Reach out and touch him - be made whole.

HE'S GIVEN

1. So many people are unthankful.
Walking there own way without a care.
Not ever thinking that our Saviour.
Died that our sins He could bare.

2. Often time we all become weary.
We mumble and complain in our hearts.
Not even giving thanks to Jesus.
For all the little things that he has done.

3. He gives new life to those who trust him.
A new way He gives for them to walk.
He's given new places to enter into.
A new song and a new way to pray.

CHORUS:
He's given so much - so you be thankful.
Be thankful for every little thing he does.
He's given so much - so do be thankful.
Be thankful and he will give you more.

HIS GLORY ROLLS

1. As I look by faith and see, him standing there.
I can see his flowing robe, his long white hair.
I can feel his eyes as they, look right at me.
As I look by faith and see, him standing there.

2. As I like at him, I can hear him say,
"Come unto me for, I am the way,
I'm the truth, the light, the Savior of the world."
And I'll stay just as I am forevermore.

3. As I reach out by faith, and feel him standing here,
I can feel his flowing robe, his long white hair.
I can feel his glory, as it flows out to me,
Wave after wave, after wave, it's engulfing me.

CHORUS:
His glory rolls, His glory flows,
As a soft and gentle breeze, it covers me.
I can feel his glory penetrating me,
As I look by Faith and see him standing there.
